

Privacy Policy

Effective Date: September 12, 2026

Website: terradomains.io ("Terra Domains", "we", "us", or "our")

1. Overview

Terra Domains is committed to respecting your privacy and protecting the personal information you share with us. This Privacy Policy explains how we collect, use, disclose, and safeguard your personal data when you visit our website at terradomains.io or communicate with us regarding domain acquisitions, partnerships, or digital asset services.

2. Information We Collect

We collect information that identifies, relates to, or describes you when you interact with our platform:

- **Direct Contact Data:** Information provided voluntarily when submitting an acquisition inquiry or contacting us via email or social channels, including your name, corporate email address, phone number, and social media identifiers (e.g., Instagram handle).
- **Transaction & Licensing Information:** Information relating to domain purchases, Lease-to-Own (LTO) arrangements, or transfer requests, including billing entity names, contact info, and transaction milestones. (Note: Financial payment details are processed securely via third-party escrow and registrar partners such as Afternic, Sedo, Dynadot, or Escrow.com and are not stored directly on our servers).
- **Technical & Analytical Data:** Automated data collected when visiting terradomains.io, including IP address, browser type, operating system, referring URL, pages viewed, and access times.

3. How We Use Your Information

We utilize collected information for legitimate commercial and operational purposes, including:

- Responding to domain inquiries, offer submissions, and negotiation requests.
- Facilitating domain sales, transfers, and Lease-to-Own administrative workflows.
- Maintaining operational security, preventing fraud, and conducting forensic verification of domain transfers.
- Complying with legal, tax, and regulatory obligations governing digital asset transfers.

4. Disclosure to Third Parties

Terra Domains does not sell, rent, or lease your personal information to third-party marketers. We may disclose data only in the following limited circumstances:

- **Authorized Service Providers:** Registrar marketplaces (e.g., Afternic, Sedo, Dynadot) and escrow agents required to finalize legal domain ownership transfers.
- **Legal Requirements:** Compliance with subpoenas, court orders, or applicable law enforcement requests to protect legal rights and platform security.

5. Data Security & Storage

We implement industry-standard administrative and technical safeguards to protect your personal data from unauthorized access, loss, or disclosure. However, no internet transmission or electronic storage system is 100% secure.

6. Your Data Protection Rights

Depending on your jurisdiction, you may have rights under applicable privacy laws (such as GDPR or CCPA) to access, correct, update, or request deletion of your personal information held by us. To exercise these rights, please contact us at daniel@terradomains.io.

7. Contact Information
